

Prep & Compression Tools

Economy Cable Prep Tools for 6, 59 & Mini Series Cable

Features

- Prepares 6, 59 cable and mini cable
- Lightweight and compact body design that allows cable preparation without any adjustment or blade cassette change-out
- One Step cable preparation precisely exposes the center conductor by 5/16" (7.93mm) and removes the proper length of jacket at 1/4" (6.35mm)
- Built-in strip stop for precise preparation every time
- Superior quality tool steel blades will perform 3500+ preparations under normal usage
